Lagoon fish

Background — keep whole

Print both pages at 100%. Keep the background whole.

Lagoon fish

Pieces — cut the broad outer silhouette

Example — do not cut

Arrange without glue. Cut broad outer shapes; keep internal gaps whole.

1. Seaweed at the edges; coral below.
2. Main fish in the center; yellow fish upper right.
3. Two shells on sand; bubble in open water.

Check every piece and the visible face. Move foreground pieces aside if needed.
