Sunken garden fish

Pieces — cut the broad outer silhouette

Example — do not cut

Adult prepares the large arch opening. Keep fine internal gaps whole.

1. Arch behind; seaweed on either side.
2. Two corals in front, partly overlapping plants.
3. Main fish before arch; two small fish right.
4. Amphora and shell on bottom, clear of fish.

Check every piece and the visible face. Move foreground pieces aside if needed.
